

# Turnkey Employer Solutions for Employed Family Caregivers

Keep your employees on the job as they balance their careers with aging caregiving responsibilities.

## THE CARING PLACE HUB

An online dashboard and smartphone app with proprietary and curated resources for employers, employee caregivers, and families.

Easily implementable turnkey organizational solutions to keep employees on the job as they balance their careers with aging caregiving responsibilities.

## PERSONALIZED SUPPORT FOR CARE MANAGEMENT

As an employee benefit, Attract Top Talent, Reduce Turnover Costs, Address Social Determinants of Health, and Reclaim Business Wastes of up to \$11,000 per employee caregiver per year.

The resources available within The Caring Place HUB are commonly implemented as an employee benefit, but the app is also available to individual caregivers.
